June Newsletter

Phew! As I write this, the "Terrific Scientific" thermometer on the wall of the office in front of me is off the chart with the heat. Thank you to all parents who ensured that their child attended school in the past few days when it was warm; school is always the best place for them, both educationally and socially.

There's much to look forward to as we approach the last few weeks of the year. Lea Green for Years R-4 on 10 July (please check that you've submitted your consent on parent pay), Sports Day on Monday 13 July and the Leaver's Service in Church on the 23rd. We also have our transition days coming up and look forward to welcoming our new students into school, as well watching our Y6s go for their transition days.

We are keen to hear your voice about how well you feel your child is doing; in the next few days you will receive a link on email to fill in a questionnaire about the school. I would be very pleased if you could fill this in and let us know your thoughts.

See you at the gate
Mr Wilson
