

CROMFORD CE SCHOOL GOVERNORS' NEWSLETTER SPRING 2019

CROMFORD SCHOOL IS A GROWING SCHOOL

Four years ago, Cromford School had 42 pupils – we now have 77. This has meant an increase in the number of classes. The popularity of this school indicates that the staff at Cromford are a highly dedicated

set of professionals who know their pupils extremely well both academically and emotionally. The vast majority of our pupils are making good progress and those who might struggle, are having their needs met.

**PLEASE DO NOT MOVE CARS OUTSIDE SCHOOL BEFORE
3.25PM SO THAT OUR PUPILS CAN LEAVE SCHOOL SAFELY.**

Collaboration – the story so far

As we are now two terms into the academic year, we have reviewed the situation concerning our collaboration with St Giles Primary school. In December, we completed a survey with the pupils, parents and staff of both schools to find out how they felt about the collaboration and the results showed that nearly all parties were happy with how it is impacting on school life. To that end, it has been decided that the collaboration will continue for a further year in its present format.

We will continue to monitor the collaboration very closely and review it during the autumn term.

We are going paperless for this newsletter so you can find it on the school's website. Let us know what you think about this idea for future newsletters.

For the past two years, we have been a member of COGS (Cluster of Gell Schools). The head and chair of governors meet with their counterparts from 12 other schools each term working on joint ventures to improve not only the education of our pupils but also their transition to Anthony Gell School at the end of year 6. The ventures have included a joint school parliament, transition science lessons and joint training for governors.
