Dear parents and carers

As you are no doubt aware following the Government's announcement tonight, schools will be moving to remote learning from tomorrow, 5th January. As a school we only know about these changes at the same time as you do, when they are announced on national television.

Places will be available in school for those children who are considered 'vulnerable' as defined in this link <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision#vulnerable-children-and-young-people> – please note that apart from children who are currently within a social care framework and children with an EHCP (you will know if that is your child) the rest of the examples are at the discretion of the school.

Places will also be available for the children of 'Critical workers' as defined in this link. <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision#critical-workers>

If you would like to request a place at school for your child/children, then please complete the information below and return to us as soon as possible. We will only be able to offer a place when we have received this information.

If you would like any further details please either email us on info@cromford.derbyshire.sch.uk or ring school in the morning.

Many thanks.

Yours sincerely

Liz Foster
Headteacher
