6th January 2021

Dear Parents and carers

Thank you to all of you who have been in contact with us in the last day for clarification over the home learning. We had to respond quickly and hopefully the information below will help to make things a little easier for you.

Firstly, apologies for the errors on some of the links. We have been working today to sort them out and the home learning menus on the website should now be correct.

https://www.cromfordcofeschool.com/website/learning_plans/513526

Our remote learning will look different this time compared to the previous lockdown in March, there are many more resources available to us and we are all being encouraged to use online work where possible.

White Rose Maths

The home learning menus are linked to White Rose Maths as before. The links to the video content are on the menu, but the worksheets are now on a paid subscription area and we are not allowed to upload them to the website. We have placed an order for workbooks with all the maths sheets for this term. We will let you know as soon as these arrive and then arrange to get them to you.

We have set up secure links to the resources - please see below:

Oak National Academy

The government have set up the Oak National Academy to provide pre-recorded lessons and it is one of the recommended resources to use. All of our English lessons are from this

as of next week and these just require a pencil and paper for the children to access. We are not able to print these lessons off as we did previously. We have been using this resource from time to time in school so the children should be familiar with it.

If you are having problems with insufficient technology or data, then please get in touch with us so we can see what we are able to do to help.

Zoom

Tomorrow we are having an opportunity to join a whole school zoom meeting. We will send out further information on a separate email.

We will be setting up zoom sessions for the classes from next week. Initially these will be on a Monday, Wednesday and Friday.

9:30am for Robins

11:00am for Eagles and Owls.

Seasaw and Purple Mash

The Robins will continue to use 'Seasaw' to upload their work. We have also enabled the '2email' function on Purple Mash for the Owls and Eagles so that they can contact staff directly. Please get in touch if they don't remember their login details. If you would prefer, you can email us any work the children do at home.

Collecting belongings

If children have left items at school which you wish to collect, then we will be able to arrange this on Friday, from 9am – 11am. Please contact us in advance so we can have the items ready to collect.

Thank you for your ongoing support. As always, please call or email us if there are any questions.

Yours sincerely

Liz Foster
Headteacher
