

Joining the library

Follow these steps to join...

If you live, work or study in Derbyshire you can join the library.

<https://www.derbyshire.gov.uk/leisure/libraries/using-your-library/joining/joining-the-library.aspx>

When you've completed the form; you will be given a temporary library card number. A library card will be posted to you within 10 working days which you can use in any Derbyshire library.

You will then be able to download apps that will give you access to audio books, magazines, books that you would usually borrow from the library.

This is a great way to read as many books as you can without leaving your home!

Enjoy!
